

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa0107/1dn
GMM:jld:rs

March 9, 2009

Senator Erpenbach:

This amendment includes the technical amendment, LRBa0081, which does all of the following:

1. On the recommendation of DATCP, changes all references to a “violation of s. 100.20” to references to a “violation of *an order issued* under s. 100.20.” According to DATCP, the specific methods of unfair competition prohibited under s. 100.20 are spelled out in general or special orders issued by DATCP.
2. On the recommendation of the LRB, creates ss. 60.33 (8p), 61.25 (6p), and 62.09 (11) (L) to clarify to city, village, and town clerks that they must stamp a traveling sales crew worker permit on request. That requirement is implicit in s. 103.34 (11) (c), but this amendment makes that requirement explicit. Those provisions are parallel to ss. 60.33 (8m), 61.25 (6m), and 62.09 (11) (k) relating to the stamping of street trade permits under current law.
3. On the recommendation of the LRB, conforms the treatment of s. 103.34 (10) (a) 4. relating to disclosure of social security numbers to the treatment of that provision in the companion bill, AB-14, so as to reflect the creation of the Department of Children and Families (DCF) and the transfer of child support collection duties from DWD to DCF.
